### What is the E3 Range

E3 allows you to create a fixed bar layout with energy efficiency at the heart of your design. E3 Bottle Coolers offer outstanding cooling capacity, impressive display presentation, along with market-leading efficiency: all in a single refrigeration unit.

### Some Features of the E3 Range

- Lower power consumption because of robust construction and hydrocarbon refrigerants
- Increased capacity thanks to clever positioning of the integral machine unit
- Remote versions also available, please call for details

### Dimensions W x D X H

2542 x 520 x 860-880 mm

### Thermostat

Temperature range +4°C / +8°C,  
Temperature settings +2°C / +18°C

### Refrigerant

R600a

### Power consumption

235 Watt

### Storage capacity

722 x 33cl. Ø60mm

### Door Type

4 glass hinged doors

### Finish

Anthracite

### Additional

2 shelves per door section
