GAMKO

Technical specification

Maxiglass LG3/250G low height bottle cooler

LG3/250G

Maxiglass plug ready glass door bottle cooler

Features and benefits

- The MG3 has been engineered with a fully foamed shell, driving significantly improved temperature performance
- Dimmable LED lights create a beautifully illuminated display area, encouraging impulse purchases
- The MG3 is one of the greenest bottle coolers on the market, with up to 30% energy savings compared to the previous range and R600a environmentally friendly refrigerant as standard
- Innovative flat shelving design ensures no more 'wobbly' bottles, allowing effortless stocking and retrieval of drinks
- Low maintenance condenser design reduces the risk of blockages, meaning that the refrigeration system doesn't have to work so hard
- Top mounted door locks are supplied as standard, keeping contents safe and secure
