Flexbar eEquip: Customize your Flexbar with bespoke fascia designs!

Choose a look which will seamlessly merge the quality of the Flexbar modular system with your bar or restaurant décor.

Flexbar eEquip

Customize the look of your bar by adding eEquip unit fronts to the existing comprehensive Flexbar range. Flexbar eEquip adds an extra dimension of sophistication to the overall atmosphere and experience of your bar, whilst helping to create the perfect environment for your customers.

With seamless eEquip fronts you can be your own interior designer, affording you the flexibility to be creative with your bar. Design your own bar, using coated fronts which effortlessly merge with the rest of your décor, or create your own eye-catching design.

- The Flexbar eEquip lets you create a bar aesthetic unique to you
- Integrated front handle as standard
- Option to accommodate a handle of own choice (to be supplied by the customer)
- Available with solid doors, glass doors and solid drawers
